Welcome to Doodletown, where readers create the story!

When an alien spaceship crash-lands outside the Doodletown school, readers race with Daisy Doodle to follow the trail across town and back to the alien's ship.

Quick! Draw yourself a ladder to get over that fence! Now blast off in a rocket ship and connect the dots to navigate an asteroid field! WAIT! Do you have your permission slip to travel into space? Go back to page 34!

Young readers can sketch, doodle, and draw their way through the story with different options for arriving at the conclusion. And when they're finished, it's easy to go back to the beginning and create a whole new alien adventure.

From author Andrew Judge and his brother Chris Judge, illustrator of the Danger Is Everywhere series, comes a brand-new hybrid chapter book series full of fun prompts and silly jokes that are sure to entertain kids and have them reaching for the next book!
